POP AND JAZZ GUIDE

ROBERT BURKE WARREN AND TURPENTINE,
Living Room, 84 Stanton Street, at Allen
Street, Lower East Side, (212) 533-7235. A
Southern rambler who settled down in the un-
likeliest of places — the East Village — this
vinegar-and-honey-voiced balladeer rumi-

nates on family ties, personal breakouts and
the challenge of reconciling history and possi-
bility, in songs that mix folkish heart with
post-punk skepticism. Fans of the under-
ground country-rock sound are taking notice.
Today at 8:30 p.m.; admission is free (Pow-
ers).
